Background

In today's world the important discussion in India and on global platforms is environment which is impacted largely by industrial emissions and waste. The emissions contributed by industries, transportation and vehicles are to be curtailed down. Several initiatives are being taken globally to lower the emissions and carbon content from the environment. The commitment by Government of India at United Nations Framework Convention on Climate Change (UNFCCC) under Paris Agreement has motivated the industry to invest in Green Vertical. One of the upcoming sectors to meet the Net Zero Target is Bio Energy which is derived from various agricultural inputs, biological waste, agricultural residue and Municipal Solid Waste. The recent announcement by **Shri Narendra Modi, Hon'ble Prime Minister of India at G-20 for Global Biofuels Alliance will also provide the impetus to Bioenergy Sector and creating international ties.**

INDIA
BIO ENERGY
& **TECH EXPO**

India Bio Energy & Tech Expo 2024 is jointly organized by Indian Federation of Green Energy and MM Activ Sci - Tech Communications scheduled from 2-4 September 2024 at Yashobhoomi, IICC, Dwarka, New Delhi. The Expo will be focused on Bio Energy and Technologies involved as the sector is picking pace in terms of combating environmental externalities. The emerging sources of Bio Energy / Compressed Biogas (CBG) are Biomass pellets and briquettes, Ethanol, Bio – Diesel, Waste to Energy, Bio – Mobility. The demand of Bio Energy and its various sources are increasing as the target of achieving Net Zero by 2070 would also be supported and contributed by bio energy.

International Conference on Bioenergy

Unleashing Bioenergy Potential in India

Monday & Tuesday 2-3 September, 2024

Sessions planned in the Conference

Global Biofuel Alliance and International Relations-Enhancing India's GDP

Incentives, Subsidies, and Investments in Bioenergy

Potential of Bio-Mobility in India

Carbon Credits in Bioenergy Sector

Potential in CBG Sector -1.0

Potential in Biomass Sector- 1.0

Potential in CBG Sector – 2.0

Potential in Biomass Sector – 2.0

Potential in Ethanol Industry

Session on Emerging Biomaterials

Potential in Biodiesel Industry

Session on Carbon Capture / CCUS

Why Sponsor

- Brand visibility to distinguished industry leaders from India and abroad
- Establish contacts with potential clients, Industry Partners and Professionals from diverse fields ranging from Bioenergy, CBG, Ethanol, Waste to Energy and Biomobility manufacturing, government PSUs among others
- Networking Opportunity to connect with potential customers
- Excellent opportunity to interact with top management, CEOs, Senior Govt. Officials, Senior Managers and key decision makers
- Excellent brand exposure across all mediums where the conference is promoted
- Advertise and demonstrate services or products
- Increase your visibility within your industry
